# STRANGERS IN A STRANGE LAND

LIVING THE CATHOLIC FAITH
IN A POST-CHRISTIAN WORLD

**CHARLES J. CHAPUT**

ARCHBISHOP OF PHILADELPHIA

**"This is an important book about the most important questions – who are we as Christians, and how do we live and love, work and create? A must-read for Catholics and anyone concerned for America's future."**—MOST REVEREND JOSE H. GOMEZ, Archbishop of Los Angeles

Here is a bold critique of today's America, a provocative look at the post-Christian public square and the gradual erosion of the religious faith and freedom that have marked it for so long. At the same time, Archbishop Charles J. Chaput offers prophetic, empowering guidance on how Christians—and especially Catholics—can successfully overcome these challenges and not merely survive but reclaim the joy, the beauty, and the grandeur of life in the world.

## PRAISE FOR *STRANGERS IN A STRANGE LAND*

"At a time when many American Christians feel like 'Strangers in a Strange Land,' one of the country's most courageous and respected prelates has given us much needed words of wisdom for the challenges ahead. This forward-looking guidebook should be on every Catholic's bookshelf."
**—MARY ANN GLENDON,**
Former U.S. Ambassador to the Holy See and Learned Hand Professor of Law at Harvard University

"Clear-eyed, courageous, unsentimental and driven by real hope, this prophetic book is not only for Catholics, but for all believers who wonder how we're going to get through the unprecedented challenges ahead." **—ROD DREHER,** author of *The Benedict Option* and *How Dante Can Save Your Life*

"Archbishop Charles Chaput is the intellectual successor to Francis Cardinal George within the college of American bishops, and his latest book — smart, incisive, crisply-written, witty, and inspiring — shows why. I would warmly recommend this text to anyone interested in the play between faith and culture."
**—MOST REVEREND ROBERT BARRON,** author of *Catholicism: A Journey to the Heart of the Faith*
