Dear Parishioners,

*We are grateful today to have the reminder to be a part of the missionary work of the Church throughout the world from Sister Lisa Valentini, Missionary Sister of the Most Sacred Heart of Jesus. Every one of us belongs to Christ from the moment of our Baptism. As each of us belongs to Christ, so then we belong to everyone who is baptized in Christ, members of his Body. This belonging extends beyond those we know to Christians in every part of the world, and also to those now in Heaven and to those awaiting the glory of God in Purgatory. This is the great communion of saints that we profess in the Creed every Sunday Mass. This profound Christian relationship with one another obliges us to be at the service of one another. When it comes to the missions, this relationship becomes an imperative to support with our prayers and generosity those who pass on the Gospel and share our Faith in Jesus and his Church. Here at the Cathedral Parish we have many opportunities throughout the year to hear at Mass from missionaries and to join in their efforts. In addition to encouraging our support for the missions with prayers and financial resources, the visit of a missionary invites us to present the Gospel at home to our families, our neighbors, and those with whom we work.*

*In the Holy Gospel for Mass this Sunday, we listen to Jesus say to each of us, "Come away by yourselves to a deserted place and rest awhile (Mk 6, 31)." Our Lord spoke these words to his Apostles because they had been very busy with him providing for the needs of a great number of people. We all need to step aside from our regular routines and rest with the Lord. I know many of our people actually plan a little retreat for themselves to break from their everyday obligations to be refreshed by more focused time with the Lord. Our summer vacations do this in one way. However, the Lord wanted his Apostles to be spiritually rejuvenated by some quiet time with him. Even if an actual retreat is not possible or realistic for you, perhaps you could plan a bit of a spiritual rest this summer. The Basilica is open every day for people to come and pray, to visit the Lord in the Most Blessed Sacrament for a time of adoration. Sometimes, it is enough to designate some extra time in the morning or the evening for prayer—reading the Bible, praying the Holy Rosary, being quiet with the Lord, Our Lady and the Saints. It is a wonderful experience of rest with the Lord to encounter his mercy in the Sacrament of Penance and Reconciliation. Please see the Parish Bulletin for the many opportunities to receive the Sacrament throughout the week.*

*The second collection at Mass next Sunday will be for the summer maintenance needs of the Cathedral Basilica. I am most grateful for your support of the missions expressed with last Sunday's second collection. Thank you so very much for all of your goodness and generosity to the Cathedral Parish in so many ways, especially with our recent *Keys and Sword Event 2018*.*

God bless you,  
Father Dennis Gill

## LA CORRESPONSABILIDAD

### UN BUEN EQUILIBRIO

Jesús sabía que para poder continuar atendiendo a la gente necesitaba retirarse ocasionalmente a solas con sus discípulos. Por eso se los llevó con él a “un lugar solitario” para descansar. ¿Estás trabajando en exceso u ofreciendo demasiado tu tiempo voluntario? Dar tu tiempo con responsabilidad exige un buen equilibrio de tus actividades con descanso y oración. San Benito (485–547A.D.), el fundador de muchos monasterios en Italia, sabía que vivir en comunidad es un reto y por eso escribió la actualmente famosa Regla benedictina, la cual se trata de una serie de instrucciones para garantizar que los monjes puedan orar, trabajar y vivir en armonía. Sus cortos capítulos cubren desde cómo vivir la vida espiritual hasta cómo practicar la obediencia y la humildad, ¡y aun cómo disciplinar a aquellos que no estuvieran haciéndolo! Benito también da instrucciones en cuanto al trabajo cotidiano de los monjes y cómo administrar una comunidad monástica de manera efectiva. La Regla es una combinación tan equilibrada de instrucciones moderadas y razonables que muchas congregaciones religiosas adoptaron alguna forma de la Regla benedictina original. La clave de la Regla es que un monje no debe permitir que una o dos actividades le tomen todo su tiempo. La vida diaria de un monasterio exige que todos participen en la oración, el trabajo y el descanso de una manera ordenada y equilibrada. Esta clase de equilibrio es más difícil de lograr para los laicos por sí mismos, pues las exigencias del trabajo y la familia nunca parecen cesar. Hay una mamá bien ocupada que ora cuando está en el baño; un hombre que reza mientras maneja en sus muchos viajes de negocios. Los padres que tienen un hijo discapacitado dependen de la ayuda que sus amistades puedan brindarle para tener un respiro necesario. Una madre soltera con exceso de trabajo toma una siesta todos los días mientras sus hijos hacen la tarea escolar. Resulta difícil salirse de las tareas cotidianas para reenfoarnos y reabastecer las energías, pero es algo esencial y es además lo que Dios quiere para tu vida.

## LIVING STEWARDSHIP NOW

### PROPER BALANCE

Jesus knew that in order to continue ministering to people he and his disciples needed occasional time alone. So he took them off "to a deserted place" to rest. Are you over-working, over-volunteering, over-extending yourself? A good stewardship of your time requires balancing activities with proper rest and prayerfulness. Saint Benedict (485–547A.D.), the founder of many monasteries in Italy, knew that living in a community is a challenge, so he wrote his now famous Rule. The Rule was a set of instructions for the monks to ensure that they could pray, work and live in harmony. Its short chapters cover everything from how to live the spiritual life to how to live obediently and humbly—and how to discipline someone who is not! Benedict also gives instruction about the daily work of the monks and how to manage a monastic community effectively. The Rule is such a balanced blend of moderate and reasonable instructions that many new religious orders adopted some form of Benedict's original. The key to the Rule is that a monk may not allow any one or two activities to take over all his time. The daily life of a monastery requires that everyone participate in an orderly balance of prayer, work, and rest. This kind of balance is much harder for lay people to achieve by themselves, when the demands of the workplace and family seem non-stop. One busy mom uses her bathroom moments to pray; a man who takes many business trips prays as he drives. Parents caring for a disabled son rely on the help of friends for a necessary time-out. An overworked single mother takes a nap every day while her children do their homework. It is difficult to pull away to refocus and refuel, but it is essential for what God is calling you to do in your life.

### *Living Stewardship Now*

Look at your life and try to add up how you spend your week. How much time is devoted to God, family, work, and service? Do you rest and relax or just change activities? What are your time-wasters?
