Dear Parishioners, Greetings in the Lord!

The Cathedral Parish is blessed to have the generous services of many fine and dedicated volunteers. I, along with Father Hernandez and Father Brabazon, am so very grateful to these volunteers for their often times unnoticed work in our parish community. We also need more volunteers to assist with liturgical ministries, parish outreach, religious education and our Cathedral Ambassadors.

Please consider serving as an usher or greeter at Mass. The ushers and greeters are very important ministers in the celebration of the Sacred Liturgy. Their tasks of welcoming our parishioners to the Cathedral, distributing the hymnals and worship aids, giving directions for the restrooms, taking up the collection and distributing the parish bulletin, provide for a proper welcome to the Cathedral Basilica and a reverent flow to the celebration of the Mass.

Please consider volunteering for parish outreach services. I want to encourage parishioners to join the priests in visiting people in the hospitals and newly registered parishioners.

Please consider becoming a catechist. I want to develop our religious education program to provide parish support for our parish children who are preparing for the Sacraments of Confirmation and First Holy Communion. Also, you may want to consider serving as a sponsor for our adult parishioners who are preparing for the Sacraments at Easter Time.

Please consider becoming a Cathedral Ambassador. We are blessed here at the Cathedral to have the excellent service of many men and women from the parish and beyond the parish who are in the Basilica every day of the week to greet and guide our visitors as they come from all over the country, and sometimes the world, to enjoy our beautiful church. More Cathedral Ambassadors would be a great help for this important service.

If you see yourself as a volunteer for any of these works of the parish, please call the Parish Office. Again, I am so grateful for all our many volunteers and look forward to many more of our parishioners joining their ranks.

God bless all of you,  
Father Dennis Gill

### WHOLEHEARTED

Jesus insists that all religious rules, the witness of prophets and saints, and every aspect of faith rests entirely on wholehearted love of God, and loving others as ourselves. A woman named Carla could not sleep one night. Restless, she opened her Bible and came upon these two greatest commandments. She realized, guiltily, how many things displaced God in her life. She hid behind baggy clothes and believed herself not good enough. Carla's parents had emphasized sin and a harshly judgmental God. Carla saw that the commandment was to *love* God, *love* neighbor, *love* self. The common thread was love, not sin, unworthiness, or judgment. Next morning Carla read the words again. Jesus said "love your neighbor *as yourself*." Carla equated self-love with selfish pride. She had to understand love in a new way. So began a new path for Carla. She prayed gratefully every day for God's love and blessings. Step by step, she changed.

*Living Stewardship Now:* Carla found an experienced spiritual director in her area to help her. To find a priest or qualified lay director, ask at the parish, a nearby religious retreat center, a seminary, or the diocesan offices.

### Check out our NEW Resource Display Stand

New CDs, books and booklets have just arrived to help you learn, love, and live your Catholic Faith, and to share your faith with others. These resources have been brought to us by **Lighthouse Catholic Media and Stewardship: A Mission of Faith**—two not-for-profit Catholic lay apostolates whose mission is to feed hungry hearts. They do this by bringing these resources right into the parish where they will be easily accessible. They offer everything for free to anyone who needs them, but they do rely on generous donations to bring their mission to more parishes. For more information visit [LighthouseCatholicMedia.org](http://LighthouseCatholicMedia.org) or [StewardshipMission.org](http://StewardshipMission.org).

### **Archbishop's Lecture Series**

**Thursday, October 30 - 7:00 pm to 9:00 pm**

**St. Charles Borromeo Seminary  
100 Wynnewood Rd., Wynnewood, PA**

Professor Remi Brague, Emeritus Professor of Medieval and Arabic Philosophy at the University of Paris I will be the guest lecturer. His lecture will be based on his recent book, *On the God of the Christians*, in which he explains how the Christian conception of God is unique among other monotheistic philosophies and religions. Christians do believe in one God, but they do not conceive of his being one in the same way as other "monotheists," like the first of them, the pharaoh Akhenaton (18th century BC.), some philosophers such as Aristotle, or like Islam.

Come and learn what distinguishes Christian faith from other religions of the world. Please RSVP to: [dhuddell@archphila.org](mailto:dhuddell@archphila.org).

## WORDS FROM POPE FRANCIS.....

Reflecting on the words of any Pope helps us to grow in our faith—after all, he is our shepherd, the one who calls us on as one body in Christ. We will offer short excerpts taken from Pope Francis' addresses and homilies since his election which will reflect the themes that we can expect to hear again and again during his pontificate.....

### **The Sin of Indifference**

Today no one in our world feels responsible; we have lost a sense of responsibility for our brothers and sisters. We have fallen into the hypocrisy of the priest and the Levite whom Jesus described in the parable of the Good Samaritan: we see our brother half-dead on the side of the road, and perhaps we say to ourselves, "poor soul...!" and then go on our way. It's not our responsibility, and with that we feel reassured. The culture of comfort, which makes us think only of ourselves, makes us insensitive to the cries of other people, makes us live in soap bubbles which, however lovely, are insubstantial; they offer a fleeting and empty illusion which results in indifference to others; indeed, it even leads to the globalization of indifference. In this globalized world, we have fallen into globalized indifference. We have become used to the suffering of others: it doesn't affect me; it doesn't concern me; it's none of my business!

### **Basilica Tours**
