Luminiscence at The Cathedral Basilica of Saints Peter and Paul

As part of our America 250 offerings, The Cathedral Basilica of Saints Peter and Paul will host Luminiscence, a multisensory concert experience set against the beauty of our church. This immersive experience includes 360-degree video mapping, a light and sound show, and a narrative that takes visitors on a journey through the Cathedral Basilica's art, architecture, and history. Please note the Blessed Sacrament will not be reserved in the Cathedral Basilica during Luminiscence presentations.

On many days, the show features a live orchestra and choir to accompany the narrative and light show. On select days, only choir will accompany the show or the music is entirely digital. The run-time of the show is roughly 60 minutes and will be at the Cathedral Basilica until the end of the year.

This show has captivated millions of guests around the world and now is an opportunity to welcome visitors into the Mother Church of the Archdiocese of Philadelphia in a whole new way — and celebrate the 250th anniversary of the United States.
