Born in America, Venerable Mother Mary Teresa Tallon, of the Parish Visitors of Mary Immaculate, devoted her life to following the example of Jesus, the Good Shepherd. She had a deep love for families—especially those who were neglected, forgotten, or in need of hope. She reached out to those who had drifted away from the faith, gently inviting them back into the loving embrace of Christ and His Church.

“Make every soul count.”

*A presentation on the Venerable Mother Mary Teresa Tallon
will be given during refreshment by
Mother Maria Catherine.*
